WELCOME

Dear Colleagues,

I am pleased to welcome you to GeSI's 29th General Assembly on 6th December 2022. GeSI Secretariat extends its gratitude to Verizon for hosting the event in person at their office in Washington DC. This General Assembly comes right after COP27 in Egypt at a critical moment when our planet faces many challenges.

We gather in Washington DC and online to tackle these challenges through innovation and technological advancement. I am hopeful that this General Assembly will facilitate innovative discussions for sustainable development in this digital day and age.

I am also confident that GeSI will continue to draw inspiration from this General Assembly to enable sustainability through digital technology with the help of its members and partners.

Sincerely,

LUIS NEVES
CEO OF GESI
